Frankfurt International Airport (German: *Flughafen Frankfurt*) is the largest airport in Germany, and only approximately 80 miles away from Würzburg. 1.1. Customs

Take the green exit if you have nothing to declare:

If you are arriving from a country that belongs to the European Union (EU) or if what you are carrying does not exceed the permitted allowances, please use the green customs exit.

Use the red exit if you have anything to declare:

If you are carrying more than the permitted duty-free allowances or if you are importing goods intended for sale or commercial use (regardless of their value), then you must declare these. This also applies to goods that are prohibited or subject to restrictions. These include narcotics, weapons, ammunition, and protected species of plants or animals, parts thereof or products made from these.

The Customs Information Centre will assist you:

If you are unsure whether the goods you are carrying are duty-free or not, or if you need more information on specific customs regulations, please get in touch with the Customs Information Centre. It is open from Monday - Thursday from 7 a.m. - 5 p.m. and on Friday from 7 a.m. - 4 p.m.

1.2. Passport / Visa

To get to passport control, simply follow the blue signs. Queue at the right hand counter - EU citizen or non-EU citizen. If you have arrived from a country that is part of the "Schengen Agreement", (Austria, Belgium, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Sweden, Slovakia, Slovenia, Spain, Czech Republic) then you do not need to go through passport control or customs.

Your passport or ID card must be valid for at least the duration of your visit. If you are not a citizen of a "Schengen" country, you should check in good time whether you need a visa to enter Germany.

Your travel agent, airline or the German Embassy in your home country will be happy to give you any information. If in doubt the helpline of the German Border Guard Service (*Bundesgrenzschutz*) can help on questions concerning entry and exit requirements. Phone: +49 (0)69 690-78578

1.3. Baggage

In practically no time at all after landing and passing the passport check (when there is one), you have your bags securely in hand again: just follow the signs for "Baggage Claim". They will lead you to the baggage collection area, where you can check on the information board to see which carousel has

been assigned to your flight. You can also collect bulky luggage — such as strollers, bicycles and surfboards — in the same area (look for the signs). In the event that your luggage is damaged or lost, please go straight to the baggage tracing office. There is one in every baggage claim area. You can also contact the baggage tracing service by phone at +49 (0)69/690-71001.

Way to/from the terminal:

Frankfurt Airport has two railway stations, trains to Würzburg (approximately 1,5 hours by Inter City Express “ICE”) leave from the **long-distance railway station** located at the AIRail Terminal, right next to Terminal 1. Trains arrive at and depart from platforms 4 to 7 (for more information about ticket booking and connections please visit <http://www.bahn.de/i/view/USA/en/index.shtml>). Upon arrival at long-distance train station, passengers can drop off their flight baggage immediately at the “Baggage check-in at the AIRail Terminal”. In addition, there is a local railway station for S-Bahn, regional and local trains at Terminal 1, Level 1. Trains arrive at and depart from platforms 1 to 3. **From this station there will be NO trains to Würzburg!**

Both railway stations are linked to Terminal 2 via buses and the Sky Line. This is how you get there: From the platform (Level 0, Area B) go one floor up, following signs to Terminal 2.
