

ISIC International Student Identity Card

The International Student Identity Card (ISIC) is the only internationally recognised student ID.

About the ISIC

Information from the ISIC webpage:

“The ISIC card allows students the world over to prove their official student status and make the most of targeted student benefits and discounts in close to 125,000 locations across almost 130 countries. Historically, the ISIC card provides students with access to exclusive discounts on travel opportunities. ISIC cardholders can explore the world and discover new countries, cultures and languages at reduced rates.

Today, the portfolio of services goes far beyond travel alone. ISIC cardholders gain preferential access to over 150,000 products, services or experiences in every stage and area of student life. There are a multitude of benefits on offer to ISIC cardholders. Benefits extend anywhere from entertainment, software and travel to food, museums, educational courses and sports activities.

The ISIC card has been endorsed by the United Nations Educational, Scientific and Cultural Organization (UNESCO) since 1968. ISIC is also supported by the European Council on Culture and the Andean Community of Nations. The card is recognised by universities, academic institutions, student unions, national governments, financial institutions and ministries of education around the world.”
